ALIGN YOUR THOUGHTS, WORDS AND ACTIONS

Make sure that your thoughts, words, actions and surroundings convey your desire to attract a relationship

Our thoughts lead to the words we speak, the feelings we feel, and the actions we take. Sometimes we are not even aware of our thoughts but we can understand them by looking at our actions.

Think about what you have asked for and make sure that your actions reflect what you desire to receive. Act as if you are receiving it. Do exactly what you would do if you were receiving it today and take actions in your life to reflect this. This will send out powerful signals of expectation to the Universe.
